FOR IMMEDIATE RELEASE

Release No. 220503

May 03, 2022

Come early to Holloman's 2022 Legacy of Liberty Air Show

HOLLOMAN AIR FORCE BASE, N.M. – Gates will open to the public at 8 a.m. for the Legacy of Liberty Air Show at Holloman Air Force Base on May 7th and 8th. Holloman AFB is located on U.S. Highway 70 approximately 10 miles west of Alamogordo, New Mexico and seven miles east of White Sands National Park.

The general public, spectators without a Department of Defense identification card, will access the air show through the West Gate, located one mile west of the Main Gate entrance. For directions on Apple devices search for "Holloman Air Show" and access base via "West Gate Avenue" (not First Street). For Android devices search for "Holloman West Gate".

The Main Gate will be reserved for visitors approved for Handicapped parking and individuals who have a DoD ID card.

Attendees will undergo a brief security screening prior to being bussed from the general parking lot to the primary event location. During this screening young children will be provided with wrist bands with their parents contact information for added safety.

Parking is limited; carpooling is highly recommended. Inbound air show traffic through the West Gate will close at 3PM, or when capacity is reached, whichever comes first.

For those with pre-registered parking or who purchased premiere seating, you are guaranteed access.

The use of all privately owned drones anywhere on the base, including at the air show, is strictly prohibited and presents a serious threat to the safety of spectators and pilots. Additionally, the FAA has imposed drone flight restrictions within approximately 5 miles of the airfield at Holloman.

Operation of drones discovered within the base perimeter may be subject to seizure by local or base authorities, as well as the operator being subject to legal action and potential penalties. If you see a privately owned drone flying in the vicinity of the air show, please notify the Holloman Base Defense Operations Center at 575-572-7171.

To download the air show program, view a list of permitted and prohibited items, and read frequently asked questions, visit www.hollomanairshow.com, download the Air Force Connect App and select the 49th Wing or follow @HollomanAirShow on Facebook, Instagram or Twitter.

For questions, please contact the 49th Wing Public Affairs Office at 575-572-7381 or 49wg.paoffice@us.af.mil.
