STEM Vendors needed for Holloman AFB Airshow

HOLLOMAN AIR FORCE BASE, N.M. – Holloman Air Force Base is looking for businesses or organizations that work in Science, Technology, Engineering and Mathematics to be vendors at the Legacy of Liberty Airshow June 2.

The airshow will include activities for the whole family including aerial demonstrations, static aircraft displays, informational exhibits, and STEM activities for children. The airshow is free and open to the public.

Providing a STEM related exhibit will be a great opportunity to showcase your product or perform a demonstration among a crowd of thousands.

To sign up to be any type of vendor, including for STEM , visit the Legacy of Liberty Airshow webpage at: <https://www.holloman.af.mil/Home/2024-Air-Show/>. The last day to sign up is April 1.

For questions or information about becoming a STEM vendor, contact Senior Airman Julius Sheinman at julius.sheinman@us.af.mil or 321-419-8185.
