## Holloman AFB Mass Notification System

Current as of 18 May 16

## What is it?

Whether it's a natural disaster, security or wartime event, the Holloman AFB Mass Notification System's goal is to provide timely and effective alert notifications to base personnel. This is accomplished via two methods:

- 1) AtHoc
  - Desktop pop-ups
  - E-mail
  - Voice phone calls
  - Text messages
- 2) Giant Voice
  - Voice message
  - Loud tone

## What do I need to do?

### Ensure information in AtHoc is correct!

1. Right-click on the purple globe in the bottom right side of your desktop

2. Select "Access Self-Service" option
3. Click on "My Profile"
4. Click on "Edit" button
5. Verify "Basic Info", "Numbers", "Online addresses" & "Base Specific Info" sections then "Save"
6. \*\*Update Org Info by clicking on "/" then follow the org tree to your unit\*\*
7. Highly encouraged to add cell phone number for text messaging for timely notifications

### Follow directions from AtHoc and/or Giant Voice notifications

1. Utilize USAF Emergency Notification Signals (provided in this brochure)
2. Contact Command Post with questions at DSN 572-7575.

## Additional option

### AtHoc Notifier App

- Allows you to receive alerts via your smartphone
- Available for iPhone phone/iPad tablet & Android phones/tablets via the app store
- Once Downloaded:
  - Input "HAFB" as org code
  - Confirmed w/ mil e-mail address
